

IVTOM 2017 International Voice Conference Financial Aid Application

If you want to attend the conference or buy the videos and cannot afford the fee, please write to us and explain briefly your circumstances. Just explain in a few sentences and tell us what you can afford to pay; we'll review it and get back to you within a few days. There is no amount too small — we've all been through tough times when we're starting out or a life event has created difficulties. Ivtom's goal is to create the highest quality voice teacher education and to make it affordable. There are those who believe that high quality has to be very costly. We disagree with that.

Please write to Mary Ann Kehler at maryann@maryannkebler.com and include "Financial Aid Request" in the subject line. We look forward to hearing from you.
